iOS and OverDrive

Install the OverDrive app to find, browse and download e-books and e-audio books. You'll need to have an Overdrive Account and password.

Initial Setup (First time only)

Step 1: Install and Authorize the OverDrive App

1. Open the Apple App Store
2. Download the **OverDrive Media Console** app
3. Follow the download instructions
4. Open the app, then tap **Sign up**
5. Complete the short form and tap **Sign up**
6. OverDrive will send you an email to verify your account.

Find, browse and download OverDrive eBooks and eAudiobooks

1. Open the **OverDrive** app
2. **Swipe right** and then tap **Add a library**
3. Enter **Santa Clara City Library** and tap **Search**
4. Tap the star to save to **MY LIBRARIES**
5. Tap **Santa Clara City Library** to go to the website
6. Tap **Account**, enter **library card** and then tap **Sign In**
7. Tap **Settings** and then set default **lending options** (first-time user)
8. When done, tap **Save**
9. Tap **Advanced Search** (menu)
10. Under All Formats, tap the drop down button to select either:
    - **EPUB eBook** for e-book, or
    - **MP3 Audiobook** for e-audiobook

11. Tap **Show only titles with copies available**
12. Then tap **Search**
13. Tap to select the desired title
14. Tap **Borrow**
15. Tap **Download** and then select a **format**
16. Tap **Confirm & Download** (the title will be downloaded and added to your Overdrive bookshelf)
17. To read, go to the bookshelf and tap on title cover.

Returning eBooks early

1. On your **Bookshelf**, find the title you wish to return.
2. Tap on the book cover to bring up the Return/Delete options.
3. Tap the **Return/Delete** icon, then Select **Return then Delete** from the choices offered
